

Encaustic Workshop

Materials List (These are materials that you purchase and bring with you)

- 3 - 4 hard panels approximately 10" x 10" x 1" or deeper (MDF board, birch, plywood or hard board)
- 3 - 4 tubes of oil paint
- (3) 2" natural bristle brushes
- 1/4" natural bristle brush
- Scraping tools that you might want to try out (awl, large sewing needle, wood-carving tools)
- Rags
- Collage materials to incorporate with encaustic (string, small beads, found images from newspapers and magazines etc.). Visual sources of inspiration (objects from home or nature for still-life paintings, books with images that inspire you, sketches of ideas that you might want to explore)

I will provide all of the following (this is covered in your \$20 fee):

- Beeswax
- Resin
- Heating tools (flat irons, heat guns, griddles)
