

Tom Martino Materials List

If you are already a painter (oil, watercolor, acrylic, or pastel) then bring your usual palette of colors.

If you are a beginner level painter in any media, be sure to bring the following tube colors to begin:

1. Cadmium yellow medium, for oil or acrylic and aureolin for watercolorists
2. Cadmium red medium
3. Alizarin, quinacridone rose, rose madder genuine for the watercolorist
4. Viridian
5. Cobalt blue
6. Ultramarine blue
7. Pthalo blue
8. Ivory Black, neutral tint for watercolorists
9. Titanium white, Chinese or gouache white for watercolorists.

Bring also, as a minimum, three brush sizes: small, medium, and large.

You'll need containers for solvent; for watercolorists and acrylic painters, bring two containers to hold water.

Bring appropriate supports (canvas, 140 lb WC paper, pastel paper for pastelists, etc.).

And don't forget tissues/paper towels.
