## Pam Santos

Pam Santos is a watercolor artist who lives in South Kingstown with her husband and 5 children. She has worked with painters of all ages, encouraging creativity, inspiring expression, and gently guiding each individual to find their strengths in watercolor painting. Pam finds her own inspiration in the simplicity of nature, the wonder of children, and the beauty of cultural diversity. During this series of classes we will work with photographs of a similar theme. Basic watercolor techniques will be reviewed, and new ones introduced. Painters of all abilities are encouraged to participate in this class, as together, we explore the gentle practice of watercolor painting.
