

South County Art Association Instructor

Paula Imbergamo

Paula is a life-long artist, well-versed in a variety of art media. Professionally she has worked as a Graphic Designer, an Illustrator and an Art Educator. After relocating to South County, Paula discovered the SCAA's warm and welcoming atmosphere, becoming a student in painting and printmaking classes. She joined the education staff in 2015 and teaches the Mixed Media Assemblage workshop. She enjoyed working with the Board as a Member at Large to help accomplish one of its main objectives, namely the design and implementation of the new SCAA logo. In 2018, Paula became Vice President of the Board and as Chair of the Development Committee, Paula lends her energies to plan major events such as Dinner Under the Trees and explore collaborative opportunities within the community.
